

FEES AND ACCOUNTS

STANDARD FEES AND BILLING

We are a mixed billing practice. Bulk billing and concession fees may apply to eligible patients with up to date Medicare cards at the doctor's discretion. Please see our fees information leaflet for details.

PRIVATE FEES

- Fees apply for all non-Medicare services
- See our private fees leaflet available from reception

CONSUMABLES FEES

Some procedures and specialised wound care may incur a consumables fee, and you will be advised of this at the time of booking.

ACCOUNT PAYMENT

See Reception for account payment options.

FEEDBACK

For any feedback/complaints please seek our practice manager Kate who will take the required action.

HOME VISITS

Nursing home visits are weekly on a Tuesday in the local RACF by Dr Van Wyk for registered patients only. All other home visits are at the discretion of the patients usual GP. Additional fees may apply for this.

APPOINTMENTS

The practice is open from 8.30 –5.30pm Monday to Friday. Please note that the practice is shut from 1.15pm –1.45pm during the week.

Please advise reception staff if you require longer than the scheduled 10 minute appointment.

FOLLOW UP APPOINTMENTS

- Following appointments with doctors that require investigations — the patient will be notified if a follow up is required.
- Follow up appointments may be billed at a reduced rate. See reception for standard billing procedures.

COMMUNICATION

It is the policy of our Practice to maintain the security of your personal information. See reception regarding our policy for telephone calls, electronic communication, management of records and how to obtain a copy.

REPEAT PRESCRIPTION

It is your responsibility to ensure that your scripts do not run out. A GP consultation is required for a prescription. NO schedule 8 drugs will be prescribed on a first consultation, and our GPs are unable to issue repeat medications for some types of medication.

You can also request repeat prescriptions through the Hotdoc app. Please read the approval criteria and follow the steps. Also note, these prescriptions incur a private out of pocket fee (no Medicare rebate).

PHONE CONSULTATION

All patients displaying cold and flu symptoms will require a telephone consultation in the first instance. Please do a RAT prior to calling. Other telehealth (video or phone) consultations are at the discretion of the patient's usual GP.
